Navotas City, Metro Manila

**Dear Sir Cruz:**

Greetings from Teach for the Philippines! We hope this letter finds you well and in the best of spirits.

Teach for the Philippines (TFP) was established in 2012. We work towards the vision that within our lifetime, all Filipino children will have access to an inclusive, relevant, and excellent education. Since 2014, TFP's partnership with Navotas, specifically the LGU and DepEd - Division Office, has made collective impact in school communities. The city's investment in our programs has been empowering us to provide the best possible future for Navotas learners.

In an effort to expand our partnership, TFP, with the approval of DepEd - Navotas, will be re-launching one of our programs called **Public School Teachers Pathway (PSTP)**, which aims to support public school teachers' professional development by offering training and coaching aligned with the Department of Education's Philippine Professional Standards for Teachers (DO 42 s. 2017).

To begin the groundwork for the expansion of this program, we are requesting to **conduct an orientation and in-person interviews in Navotas schools including Tanza N.H.S. within a day between March 18 - 22, 2019.** This is to give you a deep-dive discussion of how PSTP Program complements and enriches our Public School Teachers.

Please feel free to reach out to Nikki Santos, Government Relations & Placement Associate, at +63-927-145-6408 or [nikki.santos15@teachforthephilippines.org](mailto:nikki.santos15@teachforthephilippines.org) for any clarifications.

We look forward to strengthening our commitment towards education excellence with you and your school community.

Sincerely,
