Why in NEWS?

Recently, Haryana Chief Minister Manohar Lal Khattar launched '**Jan Sahayak Aapka Sahayak**' mobile app for Government to Citizen (G2C) and Business to Citizen (B2C) services.

He also announced a scheme for providing **ownership rights to Urban Local Bodies (ULBs) property holders**.

Jan Sahayak Aapka Sahayak

- This app contains necessary information about various government services, emergency helplines and other information.
- Haryana is already providing more than 551 government services and schemes of 42 departments through Saral Portal.

Jan Sahayak Aapka Sahayak

- Through Jan Sahayak-Aapka Sahayak, any citizen can avail all the emergency services (direct dialling) including 112 (emergency calls), 100 (police), 108 (ambulances), 101 (fire), 104 (health), 1091 (women's helpline), 1098 (children's helpline number) and 1075 (Covid-19 helpline).
- Other services include department-wise services, user wise services, public grievances and RTI (Right To Information), along with bill payment, travel, jobs, sports infrastructure, skill development etc.

Mukhyamantri Shehri Nikay Svamita Yojana portal

- For giving ownership rights to property holders.
- Under this, those having houses, shops of the municipality on a lease or rent basis for the can get ownership rights by registering on the portal.
- The occupiers will get a maximum of up to 50% discount on the present collector rate.

Demand Side Management-AC Scheme

- First of its kind **Demand Side Management-AC Scheme** for Domestic consumers of urban and rural areas to promote energy conservation.
- In this regard, the Power Department has tied up with Deccan, Blue Star and Voltas, which will provide **electricity cost saving split ACs of 1.5- ton capacity at a discount of up to 59%** of the Minimum Retail Price (MRP) to the state people.

Demand Side Management-AC Scheme

- People can also buy an AC in exchange for their old one.
- Haryana Government will also provide a subsidy of Rs 2,000 on buying a new AC in urban areas and Rs 4,000 on replacement of the old AC.
- In rural areas, a subsidy of Rs.4000 will be given for buying a new AC and Rs.8,000 for replacement of old AC.

Demand Side Management-AC Scheme

- **These energy saving ACs will save 657 power units** in comparison to the old 3-star ACs and there will be annual savings of up to Rs 5,000.
- Along with the above benefits, consumers will also get a warranty on compressors for up to 10 years and all other equipment up to one year.

- Haryana Government has also launched the **'Haryana COVID Emergency Loan Scheme'** for new and old entrepreneurs supplying medicines, oxygen and other medical facilities to COVID-19 patients in the state.
- It has allocated a fund of Rs 500 crore for this purpose.

Thank you 🌞
